DESCRIPTION

The Lisboa 2way table is a stainless steel base, with a brushed satin finish. This base features a straight edge design, 900 x 500 x 20mm spider with templated pre-drilled holes that are identical with all spiders. The 2 x 60 x 60mm columns have reinforced top & bottom internal connector plates & feature a 40 x 20mm cross base. This base is recommended for indoor use & can be powdercoated in a variety of colours.
